

The First society of UCEK was initiated by the Department of Mechanical Engineering and was named as "Mechosapiens - A Society of Mechanical Engineers" on 12.01.2013 by Dr.T.N. Shanmugan (Ex-Dean) and Mr. P.K.Shyamshankar (Ex-HOD i/c).

The Society has conducts a national level technical symposium (Mechofeast, Phernalia), workshop, FDTP, Conferences etc. The main aim of the society is to conduct events and thereby to trigger out & fetch the innovative ideas, managerial skills to the students and to give a detailed exposure about the existing and upcoming technologies in the field of Mechanical engineering. This event is organized and conducted by the students for the benefit of the student of Mechanical Engineering.

MECHOSAPIENS - A SOCIETY OF MECHANICAL ENGINEERS, UCEK
